in a small and fast world

THIRD VOLUME IN THIS HIGHLY POPULAR SERIES

# The World of Frenchies in 2011 and 2012

The first issue of 'The World of Frenchies', the bi-annual which covers the worldwide interest in the breed during the years 2011 and 2012, will be published in the Autumn of 2013. Prominent breed fanciers, from Canada to Australia and from Finland to South Africa, will bring you the highlights of regional love for the French Bulldog. In an increasingly faster and smaller world, 'The World of Frenchies' is a colourful reference, essential for true fanciers of the breed.

## Smaller

The international orientation of breeders and judges alike has given the development of the breed an extra input. Going for the best is what counts more than ever, helped by modern technology. With 'The World of Frenchies' as the most comprehensive guide.

## Faster

Internet has given love for the French Bulldog a dimension, which until a few years ago, was unthinkable. The very same day a dog show is held, the results can be seen at home. Including the latest gossip. Hundreds of messages per e-group, per week, are not unusual. The more there is to surf, the more there is the need for a quiet moment of study and unbiased reference. And for the preservation what is easily forgotten, see 'The World of Frenchies'.

## Colourful

'The World of Frenchies' brings you all the aspects which makes it such a colourful reference. Facts, figures and photographs about events of the breed

**IN-DEPTH ARTICLES AND EXTENSIVE INTERVIEWS • LUXURY BOOK WITH SCORES OF FACTS, FIGURES AND**

clubs, of champions and other important dogs. So in principle every champion will be honoured by a full colour photograph and a three-generation pedigree, for free. But also in-depth articles about subjects such as breeding, type, history, standard, art, law, health as well as extensive interviews with first rank breed fanciers. All this will be covered in 300 pages.

### **Full-colour**

‘The World of Frenchies’ is a luxury book (hardback) with scores of full-colour and black and white photographs, in an impressive format (A4). Extra attention is paid to the adverts, a source of information on their own. Because breeders are of the utmost importance for the breed, the price for an advert is kept as low as possible, certainly when taking into account the worldwide distribution of this magnificent review for the French Bulldog connoisseur.

### **Correspondent**

In principle a correspondent has been appointed in every country. Your fellow countryman is the key figure in this vast project. He is the one to contact, for all matters regarding ‘The World of Frenchies’; delivering copy, placing adverts, buying books, everything.
